PROFILE

A dynamic creative visionary known for my versatility across various artistic mediums, including painting, digital art/design, photography and film production. With a passion for pushing creative boundaries, I bring a unique perspective to every project, captivating audiences with innovative approach to artistry.

EXPERIENCE

Art Director/Artist

2022-Present

Successfully conceptualize and execute visually stunning cover art for various projects, including album covers and digital media. With a strong understanding of Adobe Creative Suite and DaVinci Resolve, I collaborate closely with clients to understand their goals and translate them into visually pleasing narratives.

Camera Operator/Focus Puller

2018-Present

Collaborating closely with directors, I contribute to diverse projects by implementing creative camera movements, angles and making sure the focus is sharp. As a freelancer, I excel in operating my own camera (Canon EOS 70D) and have experience with the ARRI ALEXA 35 and Sony a7 III.

Canadian Society for Cinematographers (CSC)

2022-2023 Camera Arts Internship / Toronto, ON

Developed hands-on experience at Sim Rental House, Vanity VFX Post Production House and on set of "Murdoch Mysteries". Through job shadowing, I observed industry professionals as well as gained direct and indirect experience. Demonstrating reliability, I was entrusted with significant responsibilities, building a solid understanding of the film and television industry.

Creative Director/Cinematographer

2019-2021 Freelance - Midnight Studios / Toronto, ON

Successfully executed video and photo productions for both musical artists and corporate businesses, translating ideas into engaging visuals. I pitched and developed concepts, oversaw projects from start to finish, and edited content to meet client expectations.
