EXPERIENCE

Bristol Old Vic - *Digital Content Placement*

June 1st 2024 - July 31st 2024

Shot and edited several projects, including social media wayfinding videos, behind-the-scenes content and heritage projects for the Engagement and Social Media teams. Placement as part of Uni of Bristol dissertation, in which I analysed the effects of social media on the theatre industry both creatively and business impacts.

Epigram - *Writer*

November 2023 - April 2024

Wrote several film reviews for the University of Bristol's student newspaper.

EDUCATION

Canterbury Christ Church University - *BA Film, Radio and Television (1st Hons.)*

September 2020 - June 2023

Shot, wrote and edited many projects which include short films, short documentaries, audio dramas, TV broadcasts (in a live TV studio), and many workshops involving several camera types and editing softwares. Was a part of the TV club, recreationally creating TV broadcasts.

University of Bristol - *MA Film and Television*

September 2023 - September 2024

Continued making short films and documentaries while learning new cameras and editing softwares.

SKILLS

I am proficient with the following cameras and editing softwares:

- Adobe Premiere Pro
- AVID Media Composer
- Davinci Resolve
- CapCut
- Blackmagic Ursa (and Ursa mini)
- Panasonic UX90
- Lumix Stop Motion Camera
- DSLR Cameras
