

Ryan Grant

1st Assistant Camera - Camera OP

Profile

With over 9 years in the film industry, I am a well-rounded professional with extensive experience in camera operations and various roles within the camera department. My career began with a focus on commercials and music videos and has since expanded to include documentaries, feature films, reality shows, sports, and broadcasting. I am adept at working with a range of camera systems and rigging setups, including Arm Cars, Ronin 2, Movi, and Steadicam. Proficient in managing camera operations, pulling focus, and leading teams, I excel in adapting to diverse shooting conditions and supporting the Director of Photography's creative vision. As a 1st Assistant Camera with extensive experience I excel at ensuring seamless operations, all while supporting the creative vision of my DP in each project.

Camera Op

Throughout my career, I have gained valuable experience as a camera operator on feature films, music videos, and commercials, working both as a day player and on full-run projects. I am currently transitioning from a 1st Assistant Camera to a Camera Operator role, bringing with me a solid foundation of technical knowledge and practical experience. While opportunities to fully showcase my abilities have been limited, I am well-prepared for this transition and eager to prove my capabilities.
