PROFILE

Enthusiastic media production graduate with a solid foundation in editing. Proficient in various editing software. Passionate about storytelling and committed to delivering high quality visual narratives.

WORK EXPERIENCE

Society for the Prevention of
Cruelty to Animals -Hong Kong

2019 - 2022,
2023 - 2024

Veterinary Assistant

- Answered phone calls from the public, which developed my communication skills
- Gave treatment to hospitalised animals according to the treatment form, which trained my attention to detail
- Assisted veterinary surgeons during surgeries, which is a high pressure environment, and this gave me the ability to remain calm under pressure

Sai Kung Animal Hospital -Hong Kong

2022 - 2023

Veterinary Assistant / Social Media Management

- Developed social media page of the clinic, captured and edited captivating videos for content
- Assisted surgeon during consults and surgeries
- Customer service for the pet owners, which further developed my communication skills
