PRODUCTION DESIGNER

Fiona Brennan is a production designer based in Los Angeles, whose multifaceted roles encompass set construction, set design, props, art direction, and set decoration. Drawing inspiration from acclaimed production designers such as Ryu Seong-hie and Inbal Weinberg, Fiona's work reflects a dynamic blend of artistic innovation and technical proficiency. She is particularly drawn to the whimsical and theatrical elements of campy production design, infusing her projects with a distinct and vibrant aesthetic. Fiona's portfolio is a testament to her versatility and ingenuity, showcasing her ability to transform spaces and create immersive environments that captivate audiences. Whether crafting elaborate sets for film, television, or commercial productions, Fiona approaches each project with meticulous attention to detail and a commitment to excellence.
